

# Declaration for Patent Application

Docket Number: 2159.0640004/EKS/J-H

As a below named inventor, I hereby declare that:

My residence, mailing address and citizenship are as stated below next to my name.

I believe I am an original, first and joint inventor of the subject matter that is claimed and for which a patent is sought on the invention entitled **Novel Gene Targets and Ligands That Bind Thereto for Treatment and Diagnosis of Colon Carcinomas**, the specification of which is attached hereto unless the following box is checked:

☒ was filed as United States Application Number 10/509,131 which is the U.S. National Phase entry of PCT International Application Number PCT/US03/09534; I.A. filed: March 28, 2003; and was amended on September 28, 2004.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information that is material to patentability as defined in 37 C.F.R. § 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

I hereby claim foreign priority benefits under 35 U.S.C. § 119(a)-(d) or (f) or § 365(b) of any foreign application(s) for patent, inventor's or plant breeder's rights certificate(s), or § 365(a) of any PCT international application, which designated at least one country other than the United States of America, listed below, and have also identified below, by checking the box, any foreign application for patent, inventor's or plant breeder's rights certificate(s), or PCT international application having a filing date before that of the application on which priority is claimed.
